## THE TEMPERANCE CRUSADE GROWING SMALLER BY DEGREES AND BEAUTIFULLY LESS.

THE LADIES' NOONDAY MEETING A FAILURE -ELIM ATTENDANCE AT THE REGULAR AFTERNOON SESSION-THE ZEALOUS
THE STILL EERP UP THE GOOD WORK.

STW STILL EERP UP THE GOOD WORK.

Rev. Mr. Little, of the Assembly's Presbytsrian

The hymn "My Faith Looks up to Thee" was next stag.

Rev. Mr. Little announced that the congregation of his church had decided to organize a temperance society within the church, with the patter as president, which had met with strong favor. He sungested that other churches follow.

Rev. Mr. Hall invoked God's hlessing on those engaged in the work, and to feel the responsibilities on them. He returned thanks for past favors, and saked a continuance of the same, with an iscensed blessing and a strong forgiveness of sins. He prayed that nothing would be thrown in the way of advancing the came of temperance.

The hymn "The Lord Will Provide" was sung. A genilemen from Ohio related instances of the efficacy of prayer in that State.

Another hymn was sung, the subject for to-day's prayer announced, the benediction pronounced, and the meeting adjourned until to-day.

## MORAL EDUCATION.

MEETING OF THE SOCIETY YESTER.

DAY.

The Moral Education Society held its regular secting yesterday, at No. 1 Grant Place, and depted the following resolutions, expressing heir sympathy with the efforts of the Christian romen of this District in the cause of temper-

Resolved, That we fully approve of the spirit and work of Christian women, who are praying for and with the dealers in, and victims of, intoxiating drinks; and, further red. That we are heartily glad that noble

and pure Christian women have demonstrated womanness contact with degraded men, enand mothers.

The following communication reducated wives tident of the society was read: the women of Washington engaged in special ayer in regard to theseils of alcoholic intemper-

youth the vital importance of temperate habits of every kind, of social enjoyments and the uses of food, as well as the need of abstinence from alco-We beg you to make of this movement which so extensively stirs the conscience of Christendom an opportunity to begin in the Sunday schools ong the youth associated with the churches atside also) a well-organized plan to inter-

set them in such instruction as will lay the foun-The removal of this wide-spread evil can only plished by two methods: the abatem oxicants, and the embod ment in statute laws and their execution of the

The first will be soonest secured through a gen-eration of youth trained to habits of temperance and total abstinence from all that intoxicates. We rejoice that the churches of Washington are awakening to a sense of duty in this tremendous

issue. When we attempted a year ago to reach and arouse the parents of your city to the neces-aity of this work, it was from a total abstinence ther, and an elder in one of our promine thurces, that we heard this discouraging utte ance: "I cannot consent to the circulation of an kind of a pledge in the Sunday school, because it will interfere with the prerogatives of home."

If Christians will pray the social glass out of their house, they will begin a work over which angels will in Heaven, and the victims of alcoholic

We cannot serve God and use alcohol. The

structive poison, and its use canciloned as such only, with suitable limitations and regulations. L. B. CHANDLER.

## BOARD OF HEALTH. THE PUBLIC BUILDINGS TO BE IN-

SPECTED. last evening at their rooms, Dr. C. C. Cox in the

the floor of the second story of house No. 500 The frame building No. 1250 Tenth street

northwest being in a leaky condition, and having no drainage, was declared a puisance. The health officer asked that the board issue definite regulations in regard to the removal of dead bodies from Holmead cemetery. The subject was referred to the committee on ordinance. Also a communication from the same source sale.

number of nulsances have been reported by the Board of Health to the Board of Public Works nce complained of, and asking that the The health officer was directed to prepare a list

dition of the public buildings. They were much crowded and poorly ventilated, and many cases of sickness arose from this fact. As they had the

health of all classes under their care, he thought some action should be taken in the matter.

Dr. Bliss thought if the attention of Congress was called to it they would act upon it. On motion of Dr. Verdi, the health officer and sanitary committee were directed to make the inspection, and report their visit to the board. The board then adjourned.

SHOP-LIFTERS ARRESTED.

SHOP-LIFTERS ARRESTED.

I Probably the most aggravating thioves and those difficult to capture is that class known as shop-lifters. Women chiefly engage in this business, as their outer wrappings are of guch a kind as to afford a much safel and better screen to ply their calling than does man's attire. They have been known to secrets a bolt of finance, outen or lines beseath their cloak and walk away from the store with case, and without either being suspected or detected. However, this clean have been at work so long that they are new pretty well known to the detective corps, and it is only the new ones—those that are being similated in the luminess by professionals—whose faces are not as familiar.

age for some days to secure a party who recently find some fine sotion goods from the store of (abor & Mitchell, and yesterday arrested fine dams shd Sarsh Clusky, two well-known store regulars," as the guilty sees, and tesk them to

POLICE COURT SKETCHES.

PARKE WASHINGTON AND CHARLOTTE JOHNSON, two busy-bodies of the Island, were brought in the Police Court, charged with having made sudden, sharp and altogether lively assault Emma Shaw. Emma is not considered over trut

URE-SLIM ATTENDANCE AT THE REGULAR AFTERNOON SESSION—THE ZEALOUS
FEW STILL HERF UP THE GOOD WORK,
PRAYERS AND EXHORTATIONS—NO APPARENT RESULT AS YET.
The usual noonday prayer-meeting of the ladies
yesterday at Wesley chapel was not as largely
stiended as heretofore, and from the little suthurisam manifested the movement is on the
smar. To day closes the week of prayer, and the
good accomplished therefrom is yet to be observed. At 3 o'clock in the afternoon the public
meeting was held in Lincoln Hall, though the
audience was not to be compared in size with previcous ones, yet there was a very fair representation of those interested in the movement.

The meeting was opened by singing "Before
Johevah's awful throne." Prayer followed.
The lymn "The morning light if breaking" was
next sung.

Rev. Mr. Little, of the Assembly's Presbytsrian
nearing was need that pred the content of the co

The lyann "The morting light it breaking" was make sense.

Rev. Mr. Little, of the Assembly's Prachytarian church, read 4th chapter 1st Peter, after which had assounced the topic for partyre. Inc. of S. Marie and the circumstances for which had assounced the topic for partyre. Inc. of S. Marie and the circumstances for which had assounced the topic for partyre. Inc. of S. Marie and the circumstances for which had the circumstances for which the meeting are called are extraordinary. The time has arrived tor more than equinary activation to stay the tide of intemperance.

He was precent to help to show that every branch of Untrait's Church is interested in his movement. We cannot be help to the party with the special party of the par

the stolen property in the court, which had been recovered by the detectives. A colored man named Taylor testified that Evans and Turner

OF GENERAL BALLOCH. OF GENERAL BALLOCH.

The inquiry into the relations of General Howard to the Freedmen's Bureau was continued yesterday, Geo. W. Bailoeb, formerly his chief distriction, and at that time brevet brigadier June 16, 1884, which provides mination.

Mr. 1988er, and at that time brevet brigadier temperature. Mr. 1988er, which provider it is a counts of earthin public officers, and which of accounts of certain public officers, and which declared that all moneys received for the support of refugees and freedmen, and received by any stabilities of uses of uses of uses of the United States army, should be charged against said officer on the books of the in like manner as if such moneys had been drawn from the Treasury of the United States, had been from the Treasury of the United States, had been decided by the Second Comptroller not to apply to the irregular bounty fund raised in 1864, under the boy ran down stairs for aid. Dr. Irving responded, but was powerless to afford any relief as thing the four. North Carelina and Virginia. General Balloch had rendered his accounts to the Treasury, and

States.
Some of General Balloch's retained bounty Some of General Balloch's retained bounty vouchers had been lost; but he supposed they had been used as waste paper by some of the employees of the bureau. General Balloch had to remove from the Treasury an army-wagon load of these papers. The Freedmen's Savings and Trust Company acted as agents for the bureau through its branches in the South, where there were no designated depositaries of the United States. The medius currents was General Balloch would draw modus operandi was: General Ralloch would draw his check in favor of the Trust Company here, and they would give him a check for such amount as he wanted on their branch at the place where the money was to be paid to the claimants. The vouchers of the soldier being already in his possession, signed, he would therefore credit himself and file his voucher in the Treasury, on an about the contract away of the soldier, and Hall. The

returned to him on account of the claimant not and G streets. calling for his money. One of the checks was is-sued by him in 1888, and returned in October, sued by him in 1868, and returned in October, 1871, the receipt of the soldier for the amount being in the Treasury. The three cases were respectively for \$254, \$202.50, and \$286. These he paid by his own check, explaining that, in the hurry of business at that time, he had noted the return of the checks only in his cash-book. In another case, that of Louisa Riggs, claimant, for \$100.50, the circumstances being similar, be thought it was paid, but rather than have any trouble about it he gave his check for the amount to Major McMillen.

This is the substance of the proceedings of yes.

to Major McMillen.

After surviving she would tempting self-destruction. The court adjourned until Monday next at 11

recovered by the detectives. A colored man named Taylor testified that Evans and Turner brought the stolen goods to his house and offered to sell them. Detective McElfresh testified that after he had arrested Turner he confessed that theft. Most of the goods were recovered in Alexandria. They were committed for the action of the grand jury.

EWAIL CASES.

Silas Newman, charged with cutting a railing surrounding a park, was fined \$20. Jamee King, loud and bolsterous, E. Creamer, George Simms, Marie Woodbeck, and Fannie Miller, all profasity, fined \$5 cach.

THE HOWARD INVESTIGATION.

PROCEEDINGS OF THE COURT MARTIAL YESTERDAY—FURTHER TESTIMONY OF GENERAL BALLOCH.

TWO CHILDREN BURNED TO DEATH.

Last night about \$20 o'cleck an alarm was turned in from box 39, at the corner of Fourteenth and Streets, caused by fire being discovered in a couple of two-story frame houses on B street, between Twelfth and Thirteenth. The buildings being of dry, combustible material, of course the flames spread rapidly, and the fire was well under way ere the department arrived. The two dwellings were occupied by Mrs. Myrs Campbell and Caroline Taylor, both celerad, and the fire had been pure to bed early, were still in their room. Every effort was made to reacne the little cons, but proved unsuccessful, as the heat was too powerful to combat. The fire originated from the boys playing in the stove, and the damages is about \$200. TWO CHILDREN BURNED TO DEATH.

SUDDEN DEATH. Yesterday morning between 9 and 10 o'clock, Dr. Patrick Croghan, a well known physician of this city, died at the Trement house, corner of Third street and Indiana avenue. He went to the

had rendered his accounts to the Treasury, and consequently his vouchers had to be withdrawn effice of the deceased in the Seminary building, from the Treasury, it having been decided that they did not refer to public moneys of the United coroner, Dr. Patterson, being notified, Drs. J. F. tem examination, and decided that death was caused by clot of the heart. The de came here ten or twelve years ago, and at one time had quite a large and inerative practice, and for a time filled the position of surge lice force.

He had succeeded in forming a large circle of

acquaintances, and gained many friends regret to hear of his sudden taking off. TEMPERANCE MEETINGS FOR THE

COMING WEEK. and file his voucher in the Treasury, on an abstract approved at the end of the month by General Howard, who approved abstracts rather than separate papers, because of having but his left hand to write with.

Three cases were brought to Mr. Balloch's attention where he had falled to take up the crodit he had given himself at the Treasury after the checks he had sent to pay the claimant had been returned to him on account of the claimant not and Gairesta.

ATTEMPTED SUICIDE.

A CURIOSITY

Officer Wm. Loe, night station keeper at police headquarters, was exhibiting last night, a double egg, which is now two days old. One of them is egg, which is now two days old. One of them is larger than the ordinary size but of the usual shape, the other is a perfect sphere. They are joined by a cylindrical-shaped ligament about three quarters of an inch long and one quarter of an inch in diameter. The hea that laid this curi-outly belongs to Mr. George Venable, residing on Seventh street southeast, and if she should repeat this action often would prove a valuable addition to his stock of layers.

ALL-DAY CITY ITEM-SUNDAY. The Sunday edition of this large and handsome ager will be for sale at Willard's, Col. All sufferers from the 200ve on-plaints, either of recent or long standing, are ad-vised to use Blair's Goot and Rheumatic Pills. They can be relied upon as the most cafe and ef-fectual remedy ever offered to the public, and have been universally used in Europe for many years with the greatest success. Prepared by PAOUT & HABBARY, 29 Strand, London, England, and sold by all druggists.

Housekeepersshould bear in mind that of all the different Baking Powders in market more have stood the test of a strict chemical analysis like Dooley's Yeast Powder. Dooley's Yeast Powder contains no ingredients but such as are healthful and chomically-pure. This insures uniform success in the making of rolls, blacuits, &c., which inferior articles do hot. Hanufactured and sold at wholesale by Dooley & Brother, 69 New street, New York, and at retail by grocers gonerally.

New York, and at retail by grocers generally.

An advertisement of a medicine, however candid and conscientious it may be, does not always carry conviction with it. The public know to their sorrow that the boastfair claims put forth in behalf of so many so-called remedies are literally "a deflusion and a sance." Probably the best use, therefore, the team by made of the space devoted to this metics of Hertetter's Stommen Bitters is to invite those who read to inquire of the parties that have tested the curative and preventive properties of the article what they think of it. We carrestly request all doubters to ascertain from such of their friends and neighbors as have taken this standard tonic and alterative as a protection against malarious diseases, or as a cure for indigestion, liver complaint, constipation, rheumatism, nervous debiffty, headache, low spirits, iangue, billousness, &c., what Hostetters Bitters has done for them. There is no testimony so trust worthy as that which is the result of personal experience.
